COMMUNICATION

Dear Examiner Heitbrink:

I contacted you recently for a status update as to an amendment which we had filed on June 22, 2004. You indicated that it was not entered into the system at the USPTO and requested that I send proof of transmission along with a copy of the

original filed amendment.

Accordingly, I have enclosed a copy of the Auto-Reply Facsimile Transmission indicating that an amendment was sent on June 22, 2004 along with our own fax confirmation sheet. Also, I have included a copy of the original filed amendment.

Please note that September 1, 2004 is the second extension deadline. In the event that the original filed amendment was lost, we do not believe that our client should be charged any additional extension fees that have arisen since we originally filed the amendment.

If you have any further questions, please do not hesitate to contact us.

Respectfully submitted,

Yan Glickberg
